

RESMED

Effortless and **effective**

One fit. **One** solution. **One** for all.

The perfect balance of sophisticated design and easy functionality, Mirage™ FX is the solution you've been waiting for: performance, ease-of-use and quality all rolled into one.

Benefits for you ...

Sizing is a one-step process, with Mirage FX covering a wide range of facial characteristics in one mask ... so whoever your patients are, Mirage FX is the one for all.

Fitting is just as effortless. Mirage FX is intuitive to fit and adjust, so fitting takes virtually no time at all. With only four parts, including headgear, you'll also save time on managing inventory.

Mirage FX—puts your business first.

... and your patients

The Mirage FX Spring Air™ cushion provides even pressure distribution and comfort for your patients, incorporating extra softness at the nasal bridge to reduce discomfort commonly felt in this area.

Your patients will also find Mirage FX easy to live with: it's easy to clean, wear and adjust ... and being one of the lightest nasal masks on the market, it won't weigh them down.

Mirage FX—make it your number one mask.
