FlexiFit™ 407 Nasal Mask

The *FlexiFit™ 407* Nasal Mask, developed using our anthropometric database of thousands of facial contours, provides a better fit and superior comfort while maintaining the proven ease-of-use features common to the *Fisher & Paykel Healthcare masks*.

- *FlexiFit™* Technology provides a greater range of movement at the nasal bridge, simplifying the fitting process while improving the seal and comfort.
- Unique *Glider™* Strap for freedom of movement while maintaining a seal.
- *Stretchgear™* Headgear is breathable, maximizes comfort and minimizes facial pressure during head movement.
- Designed and contoured especially to meet the goal of “one size to fit most”.
- Fully assembled for a complete and simple Out-of-Box Solution.
