## CPAP Concentrated Cleanser

### A Fresh Approach for Cleaning Tubing and Accessories

Citrus II® CPAP Concentrated Cleanser contains all natural solvents effective in cleaning all types of CPAP machine tubes and accessories.

Use weekly to ensure a clean and healthy night's sleep. CPAP Concentrated Cleanser is made from vegetable derived cleaners and leaves no residue! Simply soak tubes and accessories, with the exclusion of the mask, in a mixture of 4 oz. CPAP Concentrated Cleanser to 1 gallon of water. Then, simply rinse and let air dry. Also available, Citrus II CPAP Mask Wipes and Citrus II CPAP Mask Cleaner in two convenient ready-to-use spray bottles.
